

Supervising / Senior Character & Creature Animator

Professional Profile:

I'm a traditionally trained artist and animator skilled in drawing and sculpture seeking to join a team where I can apply my 23+ years of industry experience in character and creature animation in Film, Television, Games, VR and Commercials. I have extensive experience in both pure keyframe animation, motion capture editing / cleanup, pre-visualization / UE4 virtual production, 3D modeling, sculpting, and some character rigging.
